  - Add Feline Combo Test** - Aids and feline leukemia test **Add on Price \$30**

#### **CONSENT FORM AND RELEASE**

Your pet will be examined to determine the appropriateness of immunizations selected. Although this is a physical examination, it may be abbreviated. I HEREBY AUTHORIZE the Florida Licensed Veterinarian to vaccinate my pet(s). I understand that vaccine reactions may happen and include:

- Facial Swelling. Hives, reddened skin, itching, excessive swelling/scratching around the injection site
- Excessive drooling, lethargy. Lack of appetite. Vomiting and/or diarrhea. Anaphylactic shock and/or death
- Later signs might include fever, pain at injection site, vomiting and/or lack of appetite.

I further understand that these reactions are idiosyncratic and cannot be predicted. I will not hold the Veterinarian or the clinic responsible for any of the above occurrences. I also agree to pay all costs involved in treating any reaction, should they occur.

My medications may be placed in a nonchild proof container. I am responsible for informing the veterinarian and staff of the medical conditions of my pet, and maintaining control of my pet. By signing below, I give permission for Jacksonville Community Pet Clinics to use my email address.

**\*\*\*Important - Please notify staff if your pet has a history of seizures**
